WHAT SETS US APART

Established leader

A proven track record spanning over a decade
As the first to commercialize multi-signature technology, BitGo sets the standard for digital asset security and provides a secure way to safeguard thousands of coins and tokens.

Regulatory stronghold

Unmatched security and global trust
BitGo operates under the highest levels of regulatory oversight with multiple licensed entities across the United States, European Union, Middle East, and Asia Pacific, offering institutional clients regional control and operational flexibility.

Office of the Comptroller of the Currency · New York State Department of Financial Services · BaFin · MAS Monetary Authority of Singapore · VARA Virtual Assets Regulatory Authority

Comprehensive solution

Purpose-built to meet your digital asset needs
BitGo is built for institutions that demand flexibility and control, enabling institutions to integrate, customize, and innovate on their own terms. Our platform is deliberately designed to empower clients with independence and choice.
