BitGo Bank & Trust, National Association ("BitGo Bank & Trust") is a national trust bank chartered and regulated by the Office of the Comptroller of the Currency (OCC). BitGo Bank & Trust is a wholly-owned subsidiary of BitGo Holdings, Inc., a Delaware corporation headquartered in Sioux Falls, South Dakota. Other BitGo entities include BitGo, Inc. and BitGo Prime LLC, each of which is a separately operated affiliate of BitGo Bank & Trust. BitGo does not offer legal, tax, accounting, or investment advisory services. The information contained herein is for informational and marketing purposes only and should not be construed as legal, tax, or investment advice. You should consult with your own legal, tax, and investment advisor for questions about your specific circumstances. Digital assets are subject to a high degree of risk, including the possible loss of the entire principal amount invested. Past performance and illustrative examples do not guarantee future results. The value of digital assets can fluctuate significantly and may become worthless. No BitGo communication is intended to imply that any digital asset services are low-risk or risk-free. BitGo is not a registered broker-dealer and is not a member of the Securities Investor Protection Corporation ("SIPC") or the Financial Industry Regulatory Authority ("FINRA"). Digital assets held in custody are not guaranteed by BitGo and are not subject to the insurance protections of the Federal Deposit Insurance Corporation ("FDIC") or SIPC. Custody and other digital asset services are subject to eligibility, jurisdictional, and regulatory restrictions. Availability of specific products and services may vary by location and entity. BitGo undertakes to provide accurate information on its website, press releases, blogs, and presentations, but cannot guarantee all content is correct, completed, or updated. Content is subject to change without notice. BitGo disclaims any obligation to update or supplement such information except as required by applicable law or regulation. BitGo makes no representation that the information contained herein is appropriate for use in any jurisdiction where its distribution or use would be contrary to law or regulation or would subject BitGo or any of its affiliates to any registration or licensing requirements in such jurisdiction. Persons who access this information are responsible for complying with all applicable laws and regulations.
