We have examined management of BitGo Technologies LLC assertion as of December 9, 2025 at 11:59 pm Coordinated Universal Time and BitGo Bank & Trust, N.A. assertion as of December 31, 2025 at 11:59 pm Coordinated Universal Time in the accompanying USD1 Reserve Report that the presentation and disclosure of the USD1 redeemable tokens outstanding and related information, redemption assets available for USD1 redeemable tokens outstanding and related information, and the comparison of the two are in accordance with the American Institute of Certified Public Accountants, 2025 Criteria for the Presentation and Disclosure of Redeemable Tokens Outstanding and the Availability of Assets for Redemption: Specific to Asset-Backed Fiat-Pegged Tokens (Managements' Assertions). BitGo Technologies, LLC and BitGo Bank & Trust, N.A.'s management, is responsible for its respective assertion. Our responsibility is to express an opinion on managements' assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether managements' assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of managements' assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, Managements' Assertions are fairly stated, in all material respects.

Note B: Redemption assets available for USD1 redeemable tokens outstanding and related information

In accordance with the issuer terms and conditions, redemption assets may include cash, cash equivalents, short-term U.S. Treasuries, reverse repo agreements fully collateralized by U.S. Treasuries and Government Money Market funds.

Cash and cash equivalents, at par

Cash and cash equivalents consist of cash on hand and investments with maturities of three months or less from the date of purchase. Cash is primarily held at U.S. commercial banks, regulated by the Federal Reserve, titled for the benefit of USD1 stablecoin holders, which at times may exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000. A portion of the cash and cash equivalents may be held in a segregated qualified trust account at BitGo Bank & Trust, N.A., for the benefit of USD1 stablecoin holders.

Government Money Market funds, at net asset value

Government Money Market funds, at net asset value, hold investments in cash, cash equivalents, and short-term debt securities. All funds are held in a segregated qualified trust at BitGo Bank & Trust, N.A., for the benefit of USD1 stablecoin holders; funds in the segregated qualified trust are held at a regulated, U.S. financial institution, titled for the benefit of USD1 stablecoin holders.
